

# Conversation Starters

**gsu**

Have you ever done something  
that only a few people in the  
world have done?

Of all the famous people alive today, who do you think will still be discussed in 500 years?

If you were a billionaire  
what would your day look like?

At what age would you say  
people are the happiest?

What word or phrase do  
you tend to overuse?

What kind of people  
do you most admire?

What is the most  
annoying sound?

Do you think money can  
actually change your level  
of happiness overall?

Describe your perfect day.

Would you rather lose the ability  
to form new memories or lose  
all memories of the past?

Tell us something unusual  
about the place you  
come from.

What two things would you grab if your house was on fire?

Do we make friends  
with people who are like you  
or different than you?

Where is your happy place?

Would you rather be  
brave or clever?

Is it hard for you  
to forgive?

Can you describe your  
own overall aesthetic?

What are your thoughts  
on the importance of  
education?

Where do you want to  
live when you retire?

Are you an optimist or  
a pessimist and why?

What makes you feel  
most alive and why?

In your opinion, what  
will the apocalypse look like?

Do you believe in falling  
in love at first sight?

What is a fictional character  
you have a crush on?

Would you rather live  
in a time before social media?
